APPENDIX VI

[Vide answer to starred question No. 1179, asked by Sri P. G. Manickam at the meeting of the Legislative Assembly held 29th March 1961, page 365 supra.]

DECISION OF THE GOVERNMENT OF INDIA, MINISTRY OF WORKS, HOUSING AND SUPPLY ON THE RECOMMENDATIONS MADE BY THE FOURTH HOUSING MINISTERS' CONFERENCE HELD AT HYDERABAD IN NOVEMBER 1959.

Quantum of loan (*Recommendation* 28).—The Conference recommended that the maximum amount of loan admissible under the Village Housing Projects Scheme should be Rs. 2,500 or 50 per cent of the estimated cost of the house, whichever is less.

It had also, however, been separately represented to this Ministry by some State Governments during the course of discussions at the regional meetings of Housing Secretaries organized in September–October 1959, that the average villager found it difficult to contribute 50 per cent of the cost of construction of a house, from his own resources and that the unskilled labour (which he or his family members could normally provide) did not amount to more than 30 per cent of the cost. It was, therefore, suggested that the amount of loan assistant should be raised to 2/3rds of the cost of the house.
